Persona's name

Short summary of the persona

But the unique feature in the analysis is that people have gone on step forward as they are canvassing for their favourite political parties at their own cost.

This is a psychological inclined question from where involvment in the family and close acquaintances can be analyzed

It is a happy sign that people discuss political happenings in their families 82.1./. educated elites are involveed with their families.

India of respondents don't discuss their political thinking with their families, of people are not sure.

Aims to bring out the data regardig real political participation in the field of political activity.

It is interesting to note that despitee the busy schedule of the educated elites they manage to participate in the political activates of the political parties.
